Dear friends of Loving and Leading Others ministry,

I'm thrilled to share that my children and I are fully prepared and excited to embark on a mission trip to Ethiopia this week! Your generous support has made this possible, and we couldn't be more grateful. Thank you for your financial contributions, providing suitcases, packing help, and prayers. It's amazing to witness God's work through each of you once again.

**Psalm 119:105** remind us,

***“Your word is a lamp for my feet, a light on my path.”*** We are taking this promise, knowing that the Lord has gone before us.

**Exciting news**—I'm now an American citizen! Yay!!

No more waiting for what seems ten hours (Exaggerating :) ) in line at immigration and customs when we return. Hallelujah!

**During our mission trip, we aim to accomplish the following with our team in Ethiopia:**

1. **Dedicating the Ministry House (June 22nd):** We'll dedicate the ministry house before the Lord and invite key individuals for potential partnerships and long-term sustainability. Partnership is one of our core values at Loving and Leading Others.
2. **Empowering Our Staff:** We'll cast the vision and mission of Loving and Leading Others to our staff, ensuring they carry the ministry diligently and effectively for transformation, keeping the end results in mind.
3. **Delivering Supplies:** We will deliver 250 white canes, audio Bibles, sanitary pads, and dresses to children at a local blind school.
4. **Set up the Children Ministry:** My children are looking forward to setting up

4. **Set up the Children Ministry:** My children are looking forward to setting up and delivering some of their books and toys they have been collecting for months. I believe this will make a difference in my children's lives as well as the children in Ethiopia.
5. **Establishing the Ministry House/Training Center:** We aim to equip and educate women and children in evangelism, sewing skills, and beauty salon training. This will empower women to start their own businesses and break the cycle of poverty, leaving a legacy for future generations.

**But we can't do this alone!** We need your financial support to continue our critical work. Your donation will help us:

- Expand the gospel to those who don't have a personal relationship with Christ.
- Purchase sewing machines and Beauty supplies materials locally.
- Furnish the ministry house, creating a welcoming environment for women and children.

Please consider donating to Loving and Leading Others this month.

Visit our **[Donation Page](#)**. Your partnership is vital in advancing God's kingdom, restoring identity, and inspiring opportunity for women and children living with HIV.

**Keep Us in Your Prayers:**

- **25 Hours of Flight with Two Kiddos:** Your prayers for patience and endurance are much appreciated.
- **Productivity on the Mission Field:** Pray for fruitful efforts and meaningful impact.
- **Life Transformation:** Pray that the lives we touch are transformed by the love of Jesus.

Lastly, our mailing address has changed. Please update your records:

**New Address: 1300 E Shaw Ave, Suite 127, Fresno, CA 93710**

Thank you for your support and prayers. We are honored to go on this mission trip with your backing.

Blessings,

The Loving and Leading Others Ministry Team
