Gratitude Week Update from Loving and Leading Others Ministry.

"Give thanks to the Lord, for He is good; His love endures forever." – Psalm 107:1

Happy Gratitude Week!

As we reflect on all the Lord has done, our hearts are overflowing with thankfulness for His provision and for you—our incredible supporters. Your prayers and generosity are making a profound impact, and we're excited to share some praise reports!

A Lighthouse of Hope in the Community

We are thrilled to share that **Loving and Leading Others** is now recognized as a lighthouse in our community! During my recent trip to Ethiopia, God opened a miraculous door. Just as I was preparing to leave, the city approved a clean water line for Nora's House—a remarkable breakthrough in an area where most homes lack access to clean water.

Not only does Nora's House now have clean water, but the pipeline also benefits the entire neighborhood. Families are rejoicing, and our ministry is being recognized for bringing life-changing solutions to the area. Praise God for His timing and provision!

Expanding Our Reach and Impact

A Beauty Salon with a Mission.

Our women's beauty salon is becoming a gateway to ministry and community outreach. As part of their training, the women offer free hairstyling services, creating opportunities to connect with others and share the love of God. Through these simple acts of service, they are not only mastering their craft but also spreading the Gospel. The salon is more than a place to learn—it's a space where women experience transformation and extend God's grace to those they serve. We are thrilled to see how God is using this program to touch lives in meaningful ways

Sew Blessed!!

Thanks to your generous donations, we've added six new industrial sewing machines, empowering women with skills that lead to sustainable income. Our work is growing, and so is the number of women flocking to Nora's House for hope and transformation. We now have a waiting list for our women's training program—a testament to God's favor and the growing need.

Children Ministry

Additionally, we've welcomed a new staff member, Lydia, to focus on our children's program. Lydia is a Godsend, providing spiritual, emotional, and mental support to children who have endured abuse and domestic violence.

Prayer Requests and Partnership Opportunities

As the year comes to a close, we invite you to continue partnering with us. Your prayer and support are vital as we navigate an exciting yet challenging transition to Ethiopia. Pray that we clearly hear God's voice and follow His direction as we move forward.

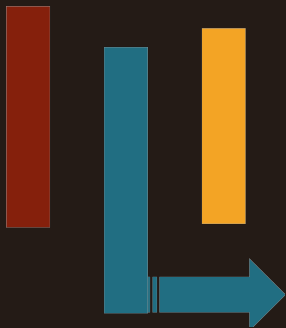

We are humbled and grateful for each of you who have partnered with us through prayers, encouragement, and financial giving. You are part of this journey, and we couldn't do it without you.

In this Gratitude Week, we invite you to celebrate with us and continue supporting the mission. Together, we can accomplish even greater things for His kingdom.
