We love our little guy!

5 months already :)

Hello family and friends,

We live in a very exciting time in history. As we look ahead, we are filled with hope and grace for Ethiopia. The year 2019 was a busy year in many different ways, we graduated 27 women from our 6-month program; we traveled to the United States where we gave birth to our first baby; and we began the immigration process towards residency—which is going faster than we have anticipated. We plan to go back to Ethiopia after election season in Ethiopia comes to a close, sometime in the fall. By then we hope to have our immigration process all settled down. We leave with nothing holding us back. By then, our immigration status is no longer a barrier for our future travels. Our board is fully membered once again, and our hearts are ready to fully surrender to what God has ahead. This we pray, “May the favor of the Lord our God rest on us; establish the work of our hands for us—yes, establish the work of our hands.” —Psalms 90:17 NIV

Progress;

- New website is published, check it out below.

- We are recruiting more staff in Ethiopia
- And we are recruiting women for the program.

Please pray that our hearts may be ready for what God has ahead. We may visualize one thing but we want to be sensitive to what He has for us.

In love,
Rudy and Elsa
