Dear friends of Loving and Leading Others Ministry,

My children and I have returned from an incredible six-week mission trip where we witnessed firsthand the transformative power of God's love for His people. I'm thrilled to share the amazing work that God is doing through your support!

While the children adapted to the new culture and got used to the rainy season, I focused on equipping our staff and volunteers with the vision and mission we have for Ethiopia and beyond.

## 2 Corinthians 5:17

"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"

I am humbled and grateful to share our experiences and the miraculous changes happening in Ethiopia. It's been a privilege to witness transformation, hope, and faith being restored in the lives of those we serve. I cherished the moments where women shared with me the mental and spiritual shifts they have experienced since coming to Nora's Home, and their newfound hope for the journey ahead. Glory to God.

Beauty Salon and Sewing Room Established Successfully  
We just need more equipment and supplies ❤️

We have laid essential groundwork for safety and health around the ministry home and have made numerous trips to one of Africa's largest markets to procure equipment for the women's training programs. We successfully established a sewing and beauty salon, and partially furnished Nora's Home, our ministry home, and have built connections with other NGOs and business owners to create a powerful network of support.

After my mission trip, my husband and I were invited by a dear friend on a long-overdue anniversary trip to Loreto, Mexico. This generous gift allowed us the precious time to reconnect, pray, and discern the future of our ministry after my long absence. It was a much-needed opportunity to reflect and recharge.

---

We are incredibly excited about the future and can't wait to share more details with you. Please join us on October 3rd to hear more about the remarkable journey and the impact we are making together.

With gratitude and excitement,

Elsa Asrat
